good hair day, every day

# SUPER STRAIGHT

**Products:** ghd platinum® styler, ghd heat protect spray, ghd paddle brush and ghd final shine spray.

Prep dry hair with a light mist of **ghd heat protect spray** and distribute evenly through to ends.

Place the **ghd platinum® styler** in at the root, gently close the plates and glide through hair.

Repeat this process throughout the sections, working up towards the parting.

Add a soft bevel to the front sections by slightly turning the **ghd platinum® styler** in towards the face.

Spritz **ghd final shine spray** onto a **ghd paddle brush**.

Lightly brush through hair for the ultimate sleek finish.
