

# UP AND AT 'EM

ghd what a girl wants

## STEP 1

Prep damp hair with ghd style root lift spray.

## STEP 2

Blow dry product into hair with a ghd rose gold air® and round ghd ceramic brush to create root lift.

## STEP 3

Flat-wrap hair around ghd curve® soft curl tong.

## STEP 4

Pin at the root and leave to cool.

## STEP 5

Once cooled, undo each section and lightly backcomb at the root to create volume.

## STEP 6

Brush hair away from the face and twist it up into a chignon.

## STEP 7

Finish with a spritz of ghd style final fix hairspray.
