GLAMOUR WAVE

Products: ghd curve® soft curl tong, ghd curl hold spray, ghd paddle brush and ghd final shine spray.

STEP 1

Prep dry hair with **ghd curl hold spray** and distribute evenly through to ends.

STEP 2

Take a small section of hair above the ear and flat-wrap around the **ghd curve® soft curl tong**.

STEP 3

Repeat technique, working up towards the parting. When you get to the parting, start the curl 10cm from the root.

STEP 4

Once curled, slowly brush through with a **ghd paddle brush** to transform the curls into a glamorous wave.

STEP 5

Finish with a mist of **ghd final shine spray**.
